Reference marks in the drawings

- 100 PDP
- 101 Front glass substrate
- 102 Rear glass substrate
- 103 Display electrode
- 104 Display scan electrode
- 105 Dielectric glass layer
- 106 MgO protective layer
- 107 Address electrode
- 108 Dielectric glass layer
- 109 Barrier rib
- 110R Phosphor layer, red
- 110G Phosphor layer, green
- 110B Phosphor layer, blue
- 122 Discharge space
- 150 Drive unit
- 152 Controller
- 153 Display driver circuit
- 154 Display scan driver circuit
- 155 Address driver circuit
- 200 Ink application apparatus
- 210 Server
- 220 Pressure pump
- 230 Header
- 230a Ink chamber
- 240 Nozzle
